## St. Peter's House Hardship Fund

Dear Friends,

Most universities have hardship funds, in the form of loans or grants, to aid British students when unexpected difficulties arise and they find themselves in need of small amounts of money for a particular purpose.

However, there is no such assistance available for overseas students in the same situation. Should the unexpected happen - e.g. they need to return home for a family crisis or a funeral, or they need to replace or purchase an essential item - they have nowhere to turn.

St Peter's House Chaplaincy has a small hardship fund for such eventualities. We are also trying to start a debate with university managers about overseas students' hardship. St. Peter's Hardship Fund is for overseas students of any nationality or faith and is administered by our International Chaplain, Jacob Devadason.

Every penny that you give will go to overseas students with no administration costs deducted. If you would like to contribute to this fund please complete the bottom part of this sheet and return it to St. Peter's House Chaplaincy. You will find the address in the letterhead above.

Thank you,

The Chaplaincy Team
